Dr. Joshua Lederberg
Dept. of Medical Genetics
Stanford University
Palo Alto, California

Dear Josh:

I hope that during my visit to San Francisco and Palo Alto we will be able to discuss more extensively problems related to the Institute of Pathobiology and Physiology of the University.

I would like to pursue the matter with greater vigor and I hope you will let me know if you need any additional documents to be brought when I arrive in Palo Alto.

With warmest personal regards to you and Esther,

Sincerely yours,

Hilary Koprowski, M.D.
